A Message from the Headmaster

To our new international boarding students – September 2025 entry

Dear Students,

It gives me great pleasure to welcome you to Bosworth Independent School. I am delighted that you will be joining our community this September.

Bosworth Independent School is a special place where everyone is treated as the individuals they are, and the staff here look forward to getting to know each of you as you begin your journey with us.

Over the coming weeks, we will be sharing a great deal more information to help you and your families prepare for the start of term and to ensure a smooth and confident transition into life at Bosworth. Each Friday in August we will send out information like this; we decided this was better than bombarding you with a vast amount of information all at once!

I am pleased to invite you and your parents or guardians to a Pre-Arrival Welcome Webinar on 15th August at 13.00 hrs UK time. This will be a valuable opportunity to hear more about what to expect, be introduced to key members of staff, and ask any questions you may have. Invitations and details on how to join the session will be sent to you very soon.

I am delighted to let you know that this year we will be offering a 'Meet and Greet' service for all international boarders arriving at London airports on Friday 29 August and Saturday 30 August. This means that once we have received details of your flight to the UK, we will ensure that a member of the Bosworth Independent School team will be there to greet you as you arrive in the UK. This Initiative is designed to help you feel supported and welcomed from the very moment you arrive in the UK. We will be sharing further details about this service shortly.

Until then, please know how excited we are to welcome you into our vibrant and diverse school community. We are confident that your time at Bosworth will be successful and happy.

In the meantime, if you have any questions, please do not hesitate to contact us by email via studentcomms@bosworthschool.co.uk

With all best wishes,

Mr Oulton, Headmaster
