Greetings from ASCIS,

We look forward to welcoming you on campus in the coming months. The boarding school opens on **August 15th, 2026** and your full boarding orientation will be on **August 18th, 2026**. If you are not on campus for orientation, our staff will be here to welcome you when you arrive. Orientation for the Upper School will be during the morning of **August 17th, 2026**. At that time all new students will receive day-to-day information about high school life.

A few items to note before your journey to Canada:

- Dorm rooms are fully equipped with linen items and furniture (including a desk area), but towels must be purchased or brought to campus.
- Students should pack basic clothing for 4 seasons. Laundry is done once per week, so students should have enough clothing for the week. Items including light and heavy jackets, one formal outfit, slippers and bathrobes are strongly recommended.
- Please select flights with careful consideration for midterms and exams. Notify the boarding school of your flight itinerary and/or arrival dates when known so we can ensure pick up (as requested) and faculty available to greet students arriving on campus. Students must be in-person/in-class/on-campus whenever major assessments/tests/examinations will be scheduled. The only exceptions will be given (i) to students who must stay off-campus due to illness and who have produced a doctor's note to the office in advance of the scheduled assessment date and (ii) to students who are away from school having suffered the loss of a close relative.
- Boarding students have access to facilities after school hours including: The game room (TVs, ping pong tables, pool tables and foosball tables), Student Lounge, and Athletic Facilities including Gymnasium, Work out room, outdoor Track and Hockey Shooting range.
- For safety reasons no cooking devices are allowed in the dorm rooms. This includes hot plates, kettles, etc. Food lockers are available in the cafeteria and students storing food in their rooms must do so in a sealed container. Students may use cooking areas in the dining hall with adult supervision.
- Any students who need regular medication, please declare this with our heads of boarding and bring any personal medication with you when you arrive on campus.
- Please contact the Admissions Office (admissions@stececile.ca) to purchase your school health insurance. **To any Canadian families who are selecting their own insurance, student will have to have a personal credit card and pay upfront for all doctor related visits or tests and submit on their own to their insurance companies**
- It is the parent's responsibility to ensure all boarding students have up-to-date passports and travel visas.

Items to Purchase

- Uniforms will be purchased after your arrival to Canada. Boarding students will be brought to our uniform store to be fitted and order any required items. We offer both new and gently used options for students. Should you have black leather shoes, please bring them with you. **Please note the first 3 weeks are out-of-uniform to ensure students have sufficient time to purchase and order all items.**
- For our HS students, they are required to have a laptop for classes. This can be either MAC or PC and should be brought or purchased by the students on arrival.
- Students will need basic stationery items for school. These can be brought or purchased after arrival to Canada. All boarding students will have a weekly bus to retail stores and can purchase supplies or anything that they need.
- Books can be ordered in advance if student schedules are known. Please refer to the booklist and order forms and contact the bookstore for more information. This information will be released over the summer. All books will be picked up after arrival and teachers will accommodate this in their classes.
- Students are welcome to bring specific bedding/decorations/extra pillows, etc. but it is not required. Our dorm rooms vary in decor, as some students prefer to bring many personal items and others bring very little.
- Students should bring or purchase on arrival their own personal hygiene items along with a hair dryer (if needed) and carrier basket for the showers.

If you have any questions, please do not hesitate to reach out to either of our heads of boarding. We know it can be a difficult transition to leave home, but know that we will be here to support and guide your children every step of the way.
