# Welcome

I want to take this opportunity to thank you for choosing Bosworth Independent School for your child. We understand this was a significant decision to make. Where your child is educated will help shape the person they become and influence their future long after they leave us. The trust you have placed in us is a responsibility we do not take lightly. Naturally, I believe you have made an excellent decision in choosing Bosworth! No school can promise that every day will be joyful or without its challenges – that is beyond anyone’s power to guarantee. What we do assure you of is that, whether celebrating successes or dealing with disappointments, our staff will be there to support them every step of the way. We are also there for you, as parents, agents and guardians, and we look forward to working with you collaboratively during the time your child is with us.

The information contained in this pack is designed to help you and your child prepare for their journey at Bosworth. If you have any questions at all, please do not hesitate to contact us at [studentcomms@bosworthschool.co.uk](mailto:studentcomms@bosworthschool.co.uk).

As your child begins their time with us at Bosworth, I wish them all the very best of luck.

Tony Oulton, Headmaster

## Term Dates

Bosworth asks families to observe term dates strictly and not to be tempted to remove children early before term finishes or to send them back to school after the term has started. Academic lessons continue right up to the end of term and begin again immediately when a term begins. It is vital students do not miss lessons. Please study the calendar at the end of this section to ensure that holiday plans are made and flights are booked to coincide with the end of term and Boarding House opening dates. All students are required to attend their induction meetings before lessons begin.

## Reports and Updates

We will communicate home regularly to parents and guardians. Reports on each student’s progress are sent out regularly throughout the year. Subject teachers and personal tutors contribute to full reports, so that parents and guardians have a regular snapshot of how a student is performing academically as well as how they are faring generally.

## Opening Times in Daytime

Bosworth Main Reception is open from 8.00 am until 4.45 pm on weekdays.

You can contact us by phone +44 (0)1604 239 995 or email [reception@bosworthschool.co.uk](mailto:reception@bosworthschool.co.uk) or [studentcomms@bosworthschool.co.uk](mailto:studentcomms@bosworthschool.co.uk) with any information or questions.

Boarding houses do not close during October Half Term, February Half Term or the Spring Holiday.

# The School Day

## The Teaching Day

Students must arrive in school by 8.40 am so you are ready for registration at 8.45 am.

Lunch is served in our Restaurant in Bosworth Hall. The Restaurant offers a choice of hot meals with meat, chicken, fish and vegetarian options available. Religious and other dietary requirements are catered for. A choice of drinks is also available.

In addition to this, students can purchase snacks from vending machines and from the Newton café during breakfast, break and lunch time. Water is available at all times from the restaurant and from water coolers.

## Understanding Your Timetable

You will receive a timetable during Induction. A copy of your timetable will be sent to you via email using your Bosworth School email address. During term-time you should check your Bosworth email regularly (at least once a day) in case a timetable change has been made.

Attendance is compulsory at:

- + Registration every day where you will meet with your tutor group to register, share information and take part in a range of useful activities.
- + All lessons, including your daily Personal Tutor (PT) meeting and weekly PSHE (Personal, Social, Health and Economic Education) and Philosophy, Religion and Ethics (PRE).
- + All Study Hall periods. This is a registered and supervised lesson where you can work independently and quietly on homework, revision or extra reading and research.
- + Evening Prep (for boarding students).

## Leaving School During Core Hours

All students should be in school during the school day, as per their timetable. If you have permission from the Nurse or have shown evidence of a medical appointment to the attendance team to leave school during the day, you MUST sign out at Reception when you leave and sign in again when you return.

## Start and End of the Day

School is open from 8.00 am. If you arrive before 8.30 am you should go to Bosworth Hall, or the Newton Cafe.

Evening Prep Club runs between 3.45pm and 5pm Monday to Friday at the Newton Building. After 5pm you will transfer to Bosworth Hall where you can work, supervised by staff, until 6pm. Beyond 6pm there is a surcharge of £10 per hour. To book in for Evening Prep Club or for early evening provision, please email [studentcomms@bosworthschool.co.uk](mailto:studentcomms@bosworthschool.co.uk)

Outside of registered lessons, students are on site at their parents/guardians' own risk.

|               | Activity                 |
|---------------|--------------------------|
| 08:45 - 09:10 | Personal Tutor           |
| 09:10 - 10:00 | Period 1                 |
| 10:00 - 10:50 | Period 2                 |
| 10:50 - 11:15 | Break                    |
| 11:15 - 12:05 | Period 3                 |
| 12:05 - 12:55 | Period 4                 |
| 12:55 - 14:00 | Lunch                    |
| 14:00 - 14:50 | Period 5                 |
| 14:50 - 15:40 | Period 6                 |
| 15:40 - 15:50 | Reading                  |
| 15:50 - 16:40 | Co-curricular Activities |

# Your Equipment

## Textbooks, Exercise Books and Folders

Your teacher will have a text book for you to work from in class. If you need a copy of a text book for independent study at home, your teacher will advise which book(s) you should buy.

If you are a student in Years 7 - 11 the School provides exercise books and a vocabulary book for Modern Foreign Languages. If English is not your first language then you will receive a vocabulary book to note new words in English.

Year 12 and 13 students will need to purchase folders and lined paper. Most students have a smaller “working” folder to bring to school and larger lever-arch files to store completed work at home. File dividers are an excellent way to help you organise your work. It is a good idea to buy highlighter pens and other stationery during Induction. This helps you to be organised.

## Other Equipment

You will need to bring basic stationery items to School. Pens (black and blue ink), pencils, an eraser and a ruler are essential. If you are studying Maths you should bring a basic Maths geometry set including a protractor and pair of compasses. You will be carrying books and writing materials to each lesson, so you will need a strong bag. A rucksack is often most practical for this purpose.

## IT Equipment

You MUST have a laptop (preferably Windows) with a stand and the stylus pen, (such as a Surface tablet or iPad) which you can bring into school. The School's IT platform is Windows, which offers access to the full Office 365 suite. WiFi is available in the teaching buildings, Bosworth Hall, Boarding Houses and in Study Hall. Electronic devices are your responsibility so please check they are insured and your work is backed up regularly in case of IT failure.

## Calculator

We prefer all students taking Key Stage 3 (Year 7, 8 and 9) and GCSE Maths to have the same calculator, so please do not buy one before your arrival. GCSE students will be required to purchase a 'Casio FX-991EX – Classwiz' calculator prior to joining the School.

For some other subjects, you will need a scientific calculator. If you are studying any of the following A-level subjects: Biology, Chemistry, Physics, Psychology, Geography, Maths, Further Maths, Economics and Business Studies, please bring a calculator with you. We recommend a Casio fx-CG50.

## Exam Equipment

Your teacher will have a text book for you to work from in class. If you need a copy of a text book for independent study at home, your teacher will advise which book(s) you should buy.

## Uniform and PE Kit

All students must wear their lanyard at all times while on the school site.

### Uniform Year 7 – Year 11

Students should wear an Oxford blue shirt, with navy blue trousers, or knee length skirt. A jumper blazer from Stevenson's, our supplier, should also be worn as compulsory parts of the uniform. Students are expected to have shirts tucked in.

### Uniform Year 12 – Year 13

Students are expected to wear Smart Business Wear, including smart trousers or tailored skirts, smart shirts or blouses, jumpers or cardigans, and formal shoes.

### Footwear

Students should wear flat, black or tan leather shoes of sensible design to protect and support the feet. No trainers, canvas pumps or stiletto heels.

### PE Kit

Students in Years 7-11 should have the school's PE kit which is available only from our supplier, Stevenson's. There are a variety of elements available such as shorts, track pants, sports tops and mid-layers. The Stevenson's website shows the compulsory items.

Students should have enough uniform so that they are always in full uniform on school days. Students should have enough uniform so that they are in full uniform while they are laundering their dirty clothes.

## Mobile Phones

Like all schools in the UK, Bosworth is, by default, a mobile-free school, which means phones cannot be used during the school day. Phones are expected to be switched off and out of sight at all times. Teachers do not ask students to use mobile phones for the purposes of teaching and learning. Phones can be used to pay contactless for items at the Newton Café, the Barista Box, or a vending machine but they must be put away again immediately afterwards. If a student needs to make a call home in an emergency, they can speak to a member of staff on Reception who will arrange for them to do so.

## Student Planner

All students will be given access to organisational apps via Office 365 to help them be organised. All students will be given access to organisational apps via Office 365 to help them be organised. You will use a platform called SatchelOne where your teachers will set homework tasks as well as other important dates and deadlines.

You will need to download the app to your phone or sign-in online. All students must have access to their apps via laptop/table while in school. All students must have access to their apps via laptop/tablet while in school.

# Our Expectations

## Introduction

We expect you to follow school rules as a member of the community. Everyday rules are set out in our Bosworth Code of Conduct. Although proud that Bosworth is a place where student behaviour is excellent, we provide this Code because breaking rules brings consequences. If you don't behave as we would expect there will be consequences; a member of staff will explain what is happening and why. Students and families get a copy of the Behaviour Policy which summarises Bosworth's rules. Not knowing the rules is not an excuse.

Please note, in the Code, 'teacher' includes any member of staff. 'Lesson' includes any Study Hall, Evening Study Hall, presentation or meeting.

## Bosworth Code of Conduct

Bosworth students are expected to:

- + Be RESPECTFUL
- + Be REFLECTIVE
- + Be PURPOSEFUL
- + Be PROFESSIONAL
- + Know right from wrong

## General

- + Boarding Students to have left your house by 8am
- + Arrive outside your registration room by 8.40am every day ready for registration at 8.45 am prompt
- + Be punctual to all lessons
- + Wear your lanyard and make sure it is visible
- + Check your Bosworth email at least twice a day
- + Speak only English in communal areas
- + Swear words and offensive language are not acceptable - this includes online communication

## In Lessons

- + Electronic devices (including headphones and air pods) must be put on silent and left in your bag at all times during the school day (except break and lunchtime)
- + Phones are to be handed in at the start of lessons or stored safely in bags
- + All homework must be completed by the date and in the format set by your teacher
- + Never disrupt lessons, shout out or interrupt a teacher - put your hand up
- + If a teacher asks for silence, don't talk or whisper
- + Bring all the right equipment (including laptop, calculator and books)
- + Follow your teachers' instructions
- + Speak only in English in lessons and in communal areas
- + Have your books and laptop/tablet with you at all times

## Around School

- + Vandalism is completely unacceptable. Report damage straight away to any member of staff
- + Keep to the left in corridors and on stairs

## In the Restaurant

- + Join the end of the queue
- + To avoid waste, only take the amount of food you can eat
- + Clear your table of all your rubbish when you've finished
- + Push your chair in so it is safe for other people
- + Take your tray, plates, drinks and cutlery to the clearing station
- + Talk quietly and speak in English at the dining table
- + Tell a member of staff about accidents or spillages and help them clear up

## In the Local Area

- + Be respectful of other people in our local community
- + Do not smoke or vape
- + For any road crossing (St George's Avenue, or Brick Kiln Lane) use the pedestrian crossing

## Dress Code

- + Follow the uniform policy, including during PE lessons, which is available on the school website

### In boarding:

- + Safe, suitable clothing and footwear
- + Not offensive – no political or insulting slogans
- + Outdoor wear (coat, scarf, gloves) should be removed in buildings

## You Must NOT Bring

- + Chewing gum
- + Drinks (tea, coffee, energy drinks or cola, for example) to lessons, study hall, or assembly
- + Tobacco, vapes, alcohol and drugs of any kind (unless medicines and the Nurse is informed)

# House System

Through our House system, you will focus on:

- + Identity
- + Collaboration
- + Competition
- + Leadership

## Identity

- + By dividing the school into 4 smaller groups you will develop your sense of belonging quickly and help to remove the fear of joining a new school, particularly if you have joined from a different cultural context. It helps build on our sense of 'School Spirit'.

## Collaboration

- + One of the main strengths of the House system is giving you the opportunity to work together with other students, creating a truly cohesive environment and ensuring that age is not a barrier to friendship and collaboration

## Competition

- + Potentially it is the competitive element of the Houses that people think of first. The all-important termly round up where the current leader is announced, the selection of mini competitions each term and, of course, a Sports Day. Competition is good, it drives people to improve, improves collegiality and teaches how to fail.
- + The House system is first and foremost inclusive of all learning types and interests. We will have sporting, artistic, and cross-curricular events.

## Leadership

- + The House system allows for the promotion of your own responsibility. The House Captains hone their leadership skills in the role, managing not only their peers but also learning how to 'manage up' among the staff body.
- + While there are 4 House Captains there are opportunities throughout the year groups for you to take on smaller leadership roles and take charge of the group. In addition, each inter-house sports team has a captain.

# House Points

You are awarded House Points for contributing to the wider school family, demonstrating character values (Moral, Civic, Performative and Intellectual) and by being:

- + Respectful
- + Reflective
- + Purposeful
- + Professional

These are our 4 golden rules.

House Points are awarded in denominations of 1, 2, or 3 Points depending on the degree of success the golden rule is demonstrated through work and behaviours.

In addition, there are Special Commendations available which are issued by the Heads of Department, Heads of Year and the Assistant Heads of Boarding. These are awarded in the denominations of 5, 10, and 15 points, and are for when a student demonstrates 'Excellence' worthy of Special Commendation.

Furthermore, the Assistant Principals, Vice Principal and Principal can issue an Honour in the denominations of 25, 50, 75 and 100 points for 'Exceptional Excellence'.

|                      |                                 |                                                                                                                                                                                                                                          |
|----------------------|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| House Points         | 1, 2, 3<br>House Points         | <b>Certificates awarded by House Captain in School Assembly</b><br>Bronze certificate for 20 House Points<br>Silver certificate for 50 House Points<br>Gold Certificate for 80 House Points<br>Platinum Certificate for 100 House Points |
| Special Commendation | 5, 10, 15<br>House Points       | <b>Certificates awarded by House Captain in School Assembly</b><br>Bronze Special Commendation for 5 points<br>Silver Special Commendation for 10 points<br>Gold Special Commendation for 15 points                                      |
| Honour               | 25, 50, 75, 100<br>House Points | <b>Honour certificate awarded by SLT in School Assembly</b><br>Bronze Honour for 25 Points<br>Silver Honour for 50 points<br>Gold Honour for 75 points<br>Platinum Honour for 100 points                                                 |

All House Points earned from awards contribute to the overall total for each House and will be included in ascertaining which House will win the House Shield at the end of each year.

## House Captains

The House Captains are interviewed and elected by the members of their House and are responsible for 'rallying House enthusiasm and participation' and ensuring their House is represented in events and competitions. They are responsible for making sure the House contribution is of a high enough standard to warrant first place, and the associated House Points that comes with this position.

# Health and Well-being

## School Nurse

We have a registered Nurse in school Monday to Friday; please check with reception the times she is available.

The School Nurse will arrange to register all new boarding students with the local doctor's clinic which we are linked to. This is just a 2-minute walk from school. The doctors will arrange for students to go to hospital, or to specialist doctors if needed.

The School Nurse is available to talk confidentially with you if you wish. The School Nurse offers confidential advice to students on sexual health and relationship issues and can refer you to specialist counselling services should this be required (at additional cost).

## What to Do if You Are Ill

If you are a day student, your parents must contact Bosworth School Reception by phone or email before 8.30 am on the first day of absence and, if necessary, on subsequent days on 01604 239995, or [attendance@bosworthschool.co.uk](mailto:attendance@bosworthschool.co.uk).

If you are in a Boarding House and are ill overnight, you must inform your Houseparent who will contact the School Nurse and arrange for an appointment the next morning.

If you feel unwell during the school day you should visit the School Nurse. After discussion with you, Nurse Caroline will decide if you are well enough to go to lessons or should have time off school, whether in sickbay if you are a boarder or at home if you are a day student.

If you need medication, she can provide painkillers for minor illnesses. She will contact your parents if she has a concern. Your parents are also welcome to contact her.

Please be aware that a headache, tiredness or mild cold symptoms may not result in agreement for a student to miss lessons. Time off for illness affects your attendance so should be a last resort.

## Students' Own Medicines

You must not bring any medication to the School unless it has been prescribed by a medical professional. In this situation, written confirmation in English must be shown to the Nurse who will decide where it will be stored and who will coordinate issuing it to you when you need to take it. Any medication which has not been shown to the Nurse will be removed from you, stored safely in the medical room and returned to you only when you next go home. This rule applies to both day and boarding students. All new students will have a meeting with the Nurse during Induction to clarify any health issues of which School needs to be aware.

## Medical Appointments

Sometimes you may need to attend medical or other appointments during the school day. If the appointment is known about in advance, you should take your appointment card or email notification to your Head of Year or the Assistant Head Pastoral to authorise the absence and inform Reception. Alternatively, parents or guardians can notify School of your absence by calling Reception or contacting Attendance by email.

For an emergency appointment, you should see your Head of Year or Assistant Head Pastoral to authorise the absence. Ask at Reception if you need help finding them. You MUST sign out of school at Reception before you leave for an appointment and sign back in if you return to lessons later in the day.

## School Counsellor

The School also has a trained Counsellor who is available to talk with you during the school day. They can be accessed free of charge and can be seen as a drop in or through our referral process.

# Who Looks After You?

## Personal Tutor

You will be placed in a tutor group and will register with them each morning and meet as a tutor group once a week to complete PSHE and other activities. You will also have a 1:1 meeting with your Personal Tutor every few weeks. This is the ideal time to review progress, discuss targets and talk about any concerns.

# Keeping You Safe

## Safeguarding

The School is proud of the rich multi-ethnic mix of its students and actively aims to encourage harmonious relationships between students and staff who study and work here. As a student, you should be able to live in a safe environment, be protected from harm and feel valued within a network of valuable relationships. However, if at any time, you feel uneasy or unsafe in your environment owing to physical, sexual or verbal abuse or treatment, or fear of radical views, then you should inform our Designated Safeguarding Lead (DSL). If, for any reason, it is not appropriate to inform the DSL then you should talk to one of the Deputy DSLs. Notices showing the names of the DSL and Deputy DSLs are displayed in all areas around school.

## Student Complaints Procedure

If you are worried about something, or unhappy with any aspect of life at the School, or if you have any problem that you would like to talk about then you should, in the first place, talk to your Personal Tutor or class teacher.

If the issue is not resolved, talk to your Head of Key Stage or a member of the Senior Leadership Team, or any other member of staff you feel comfortable with. Alternatively, you could ask a friend to speak on your behalf to someone.

## Head of Key Stage

Your Head of Key Stage looks after your year group and deals with any disciplinary issues. The Head of Key Stage, is usually your first point of contact with school if you have a concern.

You should understand that any complaint will be dealt with in confidence and that any suggestions or complaints will not upset us. We are fully aware that in any community there are bound to be tensions arising

from time to time between students or between staff and students and it is healthy to bring these out into the open whenever such situations arise. Because we are a school that supports its students, we will appreciate your honesty and you may rest assured that no student will be punished or penalised for bringing a problem to our attention.

If, after raising an issue of concern, you do not feel that the problem has been resolved satisfactorily, then you should ask your parents to contact the Headmaster ([headmaster@bosworthschool.co.uk](mailto:headmaster@bosworthschool.co.uk)). There is a published complaints procedure, outlining the recommended procedures that should be followed by parents and guardians in the event of non-resolution of a particular complaint or concern. An A4 size sheet outlining this procedure may be obtained from Reception. If you are a student who has a very serious matter which you feel has not been resolved by the School then contact: The Children's Commissioner for England, Sanctuary Buildings, London, SW1P 3BT (0800 528 0731).

# Induction

## Induction

When you arrive at the start of term you will have a structured Induction Programme before term starts to welcome you to the School and help you settle in quickly. The programme will include;

- + Checking your timetable and answering any academic questions
- + A tour of school buildings
- + Logging into your school email account and using school WiFi
- + An opportunity to meet the School Nurse
- + A meeting with our DSL and your Head of Key Stage
- + Boarding students will have other activities in their Boarding Houses

For any Induction events, you should bring your laptop or tablet to use and a pen. Meals are provided during Induction.

Full details of our Induction Programme will be shared in your pre-arrival webinar.

## Your First Day

On your first day you will be welcomed and given an in-person induction to help you settle in.

## School Policies

Bosworth policies can be found on our school website [bosworthschool.co.uk/about-us/college-policies/](http://bosworthschool.co.uk/about-us/college-policies/)
