

Dear Student,

We are excited to meet you soon and have put together this Arrival Pack to make things simple for you when it comes to travelling to the UK.

What to Bring With You

You must print your **PCF (Placement Confirmation Form)** and bring this along with the **Permission to Travel Form** to show at immigration.

You can download the Permission to Travel Form from the Educatius Resources Website here - <https://www.educatiusonline.org/essential-uk-arrival-details.html>

If you have a college acceptance letter, please print this and bring this with you.

For students on full year programmes and who have applied for a Study Visa, please have a copy of your confirmation email and share code with you in case this is also requested.

Luggage Guidance

Please note that you are expected to travel with a maximum of 2 large suitcases and 1 small carry on bag. Transfer bookings are made on this basis and if you arrive with significantly more luggage than this there may be an issue with fitting this into your onward transfer.

Arrival At The Airport

You will be met in the airport arrivals hall by an Educatius member of staff. They will be wearing a white t-shirt with the Educatius logo on the front. They will also have a sign that says 'Educatius students' on it and be stood near a flag and balloons with our colours on them (Green and white) with the logo on it. If you struggle to find a staff member, you should call them on the number below and you will be guided to an easy meeting point in the terminal. Do not leave the arrivals hall. You will then be shown to your onward transfer.

If you are attending the Soft Landing Camp, you will be taken by coach with other students to the campus. You can find the full itinerary for the camp here –
